Hands-On Integrated Pest Management (IPM) Workshop
Instructor: Jen Llewellyn
University of Guelph - Arboretum
390 College Ave., E., Guelph, ON
Tuesday, June 25, 2019
10:30 a.m. to 3:30 p.m.

Registration Deadline
June 18, 2019
Space is Limited!
Limited to 25 People

This returning ISA Ontario Chapter IPM FOR WOODY PLANTS field course is designed to give you an opportunity to develop hands-on diagnostic skills and utilize valuable resources as a first step in IPM. This workshop combines field study and sample collection, lecture and hands-on diagnostics to help you identify plant problems more effectively. An OMAFRA soil specialist will also demonstrate hands-on soil texturing and discuss soil health and fertility in landscape trees.

Keynote lecturers include Jennifer Llewellyn, Nursery & Landscape Specialist with Ontario Ministry of Agriculture, Food and Rural Affairs and Christoph Kessel, Soil Fertility Specialist (Horticulture).

The workshop is offered in partnership with Agriculture and Agri-Food Canada, the Ontario Ministry of Agriculture, Food and Rural Affairs and ISA Ontario Chapter.

To register: complete this form with credit card information and email to info@isaontario.com or fax to 855-329-4726.
