

IPM Workshops with ISA Ontario

Locations: Guelph Arboretum (June 25) & Mt. Pleasant Cemetery (July 9)

Instructors: Jen Llewellyn & Christoph Kessel

This workshop will cover a lot of unique, practical information on **site conditions and soils** that directly affect our landscape trees (not just pest management content).

9:00 to 10:15	IPM Lecture IPM (Jen)
10:15 to 10:30	BREAK
10:30 to 11:30	Field tour and specimen collection (Jen, Christoph, Site supervisor, Summer student)
11:30 to 12:00	Look over samples, discuss, extra time in case field tour goes over
12:00-12:45	Lunch, <i>look over samples</i> (Jen, Christoph)
12:45-2:00	Lecture Soil Texture, Aeration, Compaction (Christoph)
2:15 to 3:30:	Field Tour Soil Texture, Checklist (Christoph)
