Awarded to companies who are Associates of the ISAO Ontario Chapter and who have provided ongoing support to the Chapter through financial, equipment and human resources allowing the Chapter to carry out its day-to-day operations and special events.

Note: This award can only be awarded once every 10 years to any company

Criteria.

1. Company is an Associate of ISA Ontario. *The nominated company must be validated as an associate of the ISAO by the ISAO and has been so for the entire period described in the nomination of supporting the ISAO. Please check to confirm this with the ISAO by e-mailing info@iasontario.com prior to submitting a nomination.*

2. Provided ongoing support to the Chapter through financial, equipment and human resources. *“On-going” is meant as from 6-10 years. By “financial” support, it is meant as providing actual funds and/or in-kind goods or services. Financial support includes donations and/or sponsorship but not the purchase of ISAO services such as course or event fees or advertising fees in the Ontario Arborist. Donations to the Tree Fund (Ontario Branch) can be included as “support.” Support of ISA International or the International Tree Fund cannot be included. “Equipment support” is meant as the provision of any kind of equipment through outright donation or lending for use at ISAO events, education, administration and other ISAO activities of any kind. “Human resources” is meant as the donation of labour and services delivered by person(s) at no or substantially reduced cost for the purpose of supporting ISAO activities of any kind. A detailed listing of the support provided including dates, the ISAO activity supported and a valuation (estimate) and/or description of the support must be provided.*

3. Allowing the Chapter to carry out its day-to-day operations and special events. *“Day-to-day operations” is meant as the routine activities of the Association such as member support, including promotion and member recruitment; administration and finance activities; routine publications such as the Ontario Arborist; and other routine activities such as publication sales, certification, and meetings of the Board and ISAO committees. “Special events” is meant as all educational seminars; the Annual Conference and Annual Meeting of Members; Tree Climb Competitions; Women in Arboriculture Ontario events; and any other ISAO or ISAO sponsored public events.*
